We ensure the **wholesome growth** of little stars with more activities.

No-Bag Day

One day with no bag in school. Children learn through experiments, role - playing, and narrating stories

Beyond The Bell

This is an optional 50 mins school programme held once a month exclusively crafted for Vivek Summitians to provide academic support, skill development and how to handle natural calamities.

30 mins Calligraphy

20 mins of leisure time

STEP (Special Talent Encouragement Programme)

We believe in augmenting the confidence of children and competitive spirit through various competitions at district, state, and national levels.

We ensure the **health of little ones** while keeping parents updated on all activities.

Fit Summitians

At the beginning of the year, we measure their height and weight to calculate their BMI we have a doctor on call and a full time nursing staff. Incase of any emergency parents are informed immediately.

Nutritime

At our school, we believe that good nutrition is the foundation of great learning. To keep our students energetic and focused throughout the day, we serve healthy and nutritious refreshments prepared under hygienic conditions. Each meal is thoughtfully planned to include a balance of fresh fruits, whole grains, dairy products, and seasonal vegetables, ensuring both taste and nourishment.

“

ENTAB

Our very own user – friendly portal helps parents track their child's progress and be updated on events and announcements.
